# Transport 50

THE MAGAZINE FOR EQUIPMENT USERS AND BUYERS

Lone Star and PGT.  
In light of the above shifts in position it is a good opportunity to reiterate to new readers the fact that this and IC's other lists, including the IC50 and ICm20, are always evolving and developing. While there is less change in the longer-

Locar on the move in Brazil with a refinery vessel for the national oil company Petrobras

Gruas ABC in Mexico transporting bridge beams for P&H industrial overhead travelling cranes

established IC50, the Transport 50 is in a relatively early stage of development. As such, it is reasonable to expect major changes in position over the next few years in all areas of the table as new companies turn up in the list. Readers can be a big help in putting forward companies to be
